Mr. Perlis,

The following is a preliminary report for two of the soil samples (M1 & M2) that we received on 01 August 2001. If, after your review of this data, you have specific requests for the other 6 soil samples, please contact Mary Charlton at 301-417-9605 ext. 13 (mcharlton@geomet.com) for a quote.

If you would like to discuss these results before you proceed, please contact Dr. Stephen Chesler at 301-417-9605 ext. 18 (schesler@geomet.com)

Thank you
